8 0 0 - 2 4 5 - 4 7 7 7

RICE Hydro is proud to offer superior products for the Contractor, Rental and Agricultural Industries.

Simple one-man operation, coupled with the power of the torque-free hydraulic system and neutralized weight balance, make the DIRT DAWG an awesome digging machine. Easy to maneuver from hole to hole, the DIRT DAWG is excellent for digging in tight spaces, alongside stationary object such as walls and fences.

A few of the features that make the DAWG a champion:

- Quick disconnect pins enable the operator to make adjustments and change auger bits in just seconds.
- Bearing Buddies for reduced maintenance
- Oil Sight Glass on tank reservoir
- Integrated tow package on all models
- **3 year full product warranty**

For more than four decades RICE Hydro has supplied people like you with rugged, durable, dependable contractor equipment and top notch customer service. If digging by hand hour after grueling hour isn't your idea of fun, we CAN help!

Coggins Fence & Supply Inc.

"Our new Dirt Dawg works like a charm, we can take it almost anywhere. The best thing about the Dirt Dawg is it only takes one man to operate This machine is the best gas-powered auger we have ever used.

This Dawg hunts, and you can take that to the bank!"

L. Joe Cox President
