# with the Big Dawgs?

## COGGINS FENCE & SUPPLY INC.

*“Our new **DIRT DAWG** works like a charm, we can take it almost anywhere. The best thing about the **DIRT DAWG** is it only takes one man to operate. This machine is the best gas-powered auger we have ever used.*

*This Dawg hunts, and you can take that to the bank!”*

**L. Joe Cox President**

### ENGINE SWIVEL CRADLE

Structurally designed for decreased vibration.

Virtually eliminated “Pinch Points”.

9 HP OHV, oil alert gas engine, with hassle free oil drain hose.

### DIRTDAWG STANDARD

Designed for speed digging in normal or sandy soils.

7 GPM

225 ft. lbs. torque

127 RPM

*Self Propelled Model  
Forward & Reverse Drive*

RICE Hydro is proud to offer superior products for the Contractor, Rental and Agricultural Industries.

The **DIRT DAWG** is available in a **Standard, Self-Propelled or Torque** model.

Simple one-man operation, coupled with the power of the torque-free hydraulic system and neutralized weight balance, make the **DIRT DAWG** an awesome digging machine.

Easy to maneuver from hole to hole, the **DIRT DAWG** is excellent for digging in tight spaces, alongside stationary objects such as walls and fences. At **RICE Hydro**, we know that buying a piece of equipment is serious business. The precision engineering of the **DIRT DAWG** ensures you get your moneys worth. A few of the features that make this **DAWG** a champion follow:

- Swiveling handle assembly for steady, accurate drilling on hills and slopes
- Quick disconnect pins enable the operator to make adjustments and change auger bits in just seconds
- Bearing Buddies for reduced maintenance
- Oil Sight Glass on tank reservoir
- Integrated tow package on all models
- Sturdy, belt drive system on **Self-Propelled** model
- 3 year **full product** warranty

For over 32 years **RICE Hydro** has supplied people like you with **rugged, durable, dependable** contractor equipment and top notch customer service. If digging by hand hour after grueling hour isn't your idea of fun, we CAN help!
